

PLASTIC

Medium Duty Pull Tight Security Seals Light Duty Pull Tight Security Seals

CSS LPT and MPT seals are specifically designed to detect and deter theft or contamination.

Secure Food & Beverage Carts and Healthcare Boxes.

Seal everything from food and beverage carts, to first aid boxes with the industry leading light or medium duty pull tight security seal.

Unique Clean Break Design™

CSS's unique Clean Break Design ensures that individual seals detach from the strip without plastic waste. This added feature that is both environmental friendly and reduces costs.

Customizable Options

Both the Medium and Light Duty Pull Tight Seals are available in a standard or extended size flag allowing for unsurpassed ability to customize seals with logos, printed information, variable numbering and standard barcodes including 2D/QR technology. In addition, the seals are available in seven standard colors with the option of customized colors.

Standard and Custom Colors
