

X-Strap Seal

SECUR-T

FIXED LENGTH SEAL

The X-Strap is a fixed length tamper-evident security seal manufactured with a thin strap. It is ideal for those applications requiring a seal to fit into a small opening or when a tamper evident seal is required in conjunction with a traditional keyed padlock for less-than-truck road shipments and to secure roll-up doors.

APPLICATIONS

- Trailer Door Hasps
- Roll-up Doors Hasps
- Tote Bins
- Container Door Hasps

FEATURES

- Offers imprinting on three (3) lines of eight (8) characters
- Laser etched with Company Name/Logo
- 1D, 2D, QR Bar coding available with extended flag
- Tamper-resistant acetal locking mechanism
- Matted in strips of 10 for ease of use
- Weather resistant withstands extremes of cold and heat

MATERIAL

- High Density Polyethylene and Acetal
